Miss. Na-Young !

I am sorry for being late.

It's fine.

Why did you want to see me suddenly ?

I can't have you keep calling me out for personal reasons.

I wasn't trying to get myself involved in this because I felt it wasn't my business.

Now the situation changed.

Pardon ?
What are you saying...

The investigation she have it going on... How far are you into it ?

I cannot tell you something like that.

Then I ask you for a favor.

You said you'd let Ji-Yeoung acombee write everything in his name...

And about Miss Han Hye-Ra being.

When are you going to

You two
what were you talking about ?

Answer me.

I...

I cannot see him no matter how much I think.

About the name...,
I am sorry...
I was trying to score something and wasn't thinking.

It's... fine...
It's not the first time for me to cause troubles

If she finds out it was you, it would have been much worse.

I should be fine, probably

Anyway, I need you to hurry and finish the investigation ASAP.

Did something happen...

...I can't tell you really, but the sooner you get it done, the better!

Shouldn't you let him know what the document was about than ?

Why are you suddenly telling me that...

Mr. Cha ?!
How are you here ...

What you two talked about ... What was that

Where did Cha Jin-Sok go again?

I have yet to see her today.

Not answering the phone, either.

Maybe I shouldn't have gotten angry at her yesterday ...

Is this Han Hye-Ri's room ?
Why is it so clean ?

Ji Na-Young and Cha Jin-Sok
They are awfully suspicious ... But it's dangerous to pick on Ji Na-Young ...

I hope I will get something here.

Let me see ...
Maybe a chat log or something ...
